CERTIFICATION STATEMENT

I am not employed by the Manhattan Borough President or by a City Council Member who may make recommendations for appointment to the Community Board to which I am applying. I am not employed by the State or City of New York in a position at or above the level of Assistant Commissioner (or equivalent title). If employed in such a capacity, I have secured a mayoral waiver allowing me to serve on a Community Board and have attached a copy to this application. If I am employed by the City of New York in any capacity, I have clearly indicated this in the Employment section of this application.

I am a New York City resident above the age of 16 who lives, works, attends school, or otherwise has a significant interest in the district of the Community Board to which I am applying. If appointed, I understand it is my responsibility to notify the Office of the Manhattan Borough President of any changes in residence, employment, school enrollment, or any other factor that would affect my eligibility for Community Board membership.

I am fully aware that Community Board membership requires my regular attendance and participation at Board meetings, meetings of committees to which I will be assigned, and public hearings that may be convened. Excessive absences will constitute cause for my removal from the Community Board. I am both willing and able to make this commitment of time and effort to serve my community.

I agree to abide by all New York City Conflict of Interest laws. In all my Community Board activities, I will seek to adhere to the principals of good government, honesty, accountability, and the avoidance of conflicts of interest, both perceived and actual.
